

# BSNL has an unmatched pan India and global reach

## Snapshot of BSNL's MPLS network

## BSNL can support you across India Our customers speak for us

**BSNL**  
Connecting India

"We have found that BSNL is able to give us the best rates for linking up rural areas due to their vast network reach"

"BSNL is often the only service provider in some areas that we need to reach – others often over commit on reach"

BSNL has the best rates and the best rural connectivity
